Heatmap showing the distribution of the number of non-zero elements in the product of two matrices. The y-axis lists matrix pairs: A0101, A0201, A1101, A2402, A2601, B1501, B3901, B4001. The x-axis lists matrix pairs: A0101, A0201, A1101, A2402, A2601, B1501, B3901, B4001. The color scale ranges from 0 (lightest) to 1 (darkest).
